

Save the Slum Initiative (STSI) is a non-governmental organization with registration CAC/IT/NO 139240, STSI was founded in 2016 and is committed to responding to current needs to improve the life of people living in slums and local communities across Nigeria. STSI envisions improving the living standards of vulnerable persons and communities and our overall aim is to work with urban poor to bring about long-term and sustainable transformation to their quality of life and to also provide better community-based healthcare and empowerment education and environmental improvement to all communities that will serve. We intervene in various sectors like WASH, Education, Protection, Nutrition, Health, and Livelihood of humanitarian sectors and community development projects. Since its inception in 2016, STSI have implemented in over 10 States in Nigeria.
